

Join Us on Our Crystal Adventure!

Tucson Gem, Mineral, and Fossil Show 2025.

Greeting friends,

We are thrilled to share that it's that time of year again—our journey to the Tucson Gem, Mineral, and Fossil Show 2025 is just around the corner! This is the largest and most exciting crystal and mineral show in the world, and I'll be spending 10 days hunting for rare treasures to bring back as the highlight of our 2025 Occoquan storefront inventory.

I, Zaina will be crystal shepherding and treasure quest to find the most extraordinary pieces, including new, rare, and breathtakingly beautiful items we've never carried before. This is our fifth consecutive year attending, and we couldn't do it without your incredible support!

While I'm away, the shop will remain open during our regular hours, hosted by the wonderful Aida and Jackie. We'd love for you to stop by, show your support, and keep the energy of our shop alive and thriving during this exciting time.

Looking for something unique or specific? Now is the perfect time to let me know! Simply reply to this email with your requests, and I'll do my best to find exactly what you're dreaming of while I'm at the show. Every year, I bring back 2-3

tons of crystals, and I'm so excited to find the perfect ones for you.

You can also join me virtually on this adventure! I'll be sharing stories and updates from the show starting Monday, January 27th, on our Instagram and Facebook pages. Follow us along on our Facebook and Instagram page and catch behind-the-scenes glimpses, including highlights from previous years and sneak peeks of what's to come.

Thank you, as always, for your love and support—it means everything to us. We can't wait to share all the incredible treasures and new finds with you.

Sending many blessings and lots of love,

Zaina
